Emeritus Professor Status

I. Eligibility for Emeritus/Emerita status

Section 1. The status of Emeritus/Emerita may be conferred upon any retiring member of the General Faculty of CSUS as a reward for meritorious service subject to the requirements and procedures listed below.

II. Criteria

It is not intended that the emeritus/emmerita status be awarded automatically to individuals upon retirement, but is reserved for those who have made a significant contribution to the University in any of the following areas:

1. Teaching
2. Scholarship
3. Creative Activities
4. Service to the University

III. Procedure for Recommending Emeritus/Emerita Status

Procedures for recommending emeritus/emmerita status are dependent upon rank and length of service to the University.

Section 1. Upon retirement, full professors and librarians with fifteen or more years of service to CSUS shall with their consent be automatically nominated for emeritus/emmerita status. These nominations are submitted to the President for approval and conferral of the award. The President may deny the award for serious and compelling reasons.

Section 2. Upon retirement, all faculty not meeting the requirements under III. Section 1. who have contributed meritorious service, may be nominated for emeritus/emmerita status. The nomination may be made by the individual's department or by a tenured member of the General Faculty. The merits of the candidate's service shall then be reviewed according to the following steps: Departmental tenured faculty, department chair, school/college dean, Leaves and Awards Committee and the Provost/Vice President for Academic Affairs. The recommendations, either positive or negative, shall be presented to the President for final approval or disapproval.

IV. Honors and Privileges of Emeritus/Emerita Status

Faculty members participating in the Faculty Early Retirement Program (FERP) who have also been awarded Emeritus/Emerita status shall have all the privileges of full-time faculty including voting. Faculty members who are employed after completing their FERP participation shall have all the privileges of part-time faculty including voting. Emeritus/Emerita faculty shall have all the privileges of full-time faculty except voting, subject to resources available and subject to first priority requirements of full-time faculty.

V. Announcement of Emeritus/Emerita Status

The award of emeritus/emmerita status shall be announced by a letter from the President of the University. This announcement shall also be made at the annual commencement exercises.
